WELCOME HOME GRANTS

Every night, nearly 50,000 veterans are living on the streets. Each with a different story, they all shared a common pledge: to support and defend this country. The Elks have partnered with the VA to end veteran homelessness and ensure every veteran has a safe, stable home.

To do that, we need your help! The Department of Veterans Affairs has asked the Elks the focus on serving homeless veterans in 8 key urban areas, where the need and the number of homeless veterans is highest.

Lodges near the 8 urban areas list at right are eligible for Welcome Home Grants of up to \$4,500. These grants can be used to prevent homelessness, assist previously homeless veterans to adjust, and help veterans exit homelessness. There are many options for potential projects, and interested Lodges should contact the ENVSC office for lists of local needs and to be put in touch with potential partners in your area.

Applications become available online August 1, 2016, and are due May 31, 2017 at 12 p.m. (noon) Central Time. Applications will be approved on a rolling basis.

Welcome Home Grants are only available to Lodges in and surrounding these 8 cities.
